### The Scoop

By Sharyl Ingham

Here it is the last month of 2020 and my last column of the year. It is totally an understatement when I say "What a year this has been!" People, we have 31 days yet to get through so make the most of them. I was trying to think of something creative to start my column and I think I found it. Bear with me.

On March 11, the Global Pandemic was announced. Here we are in December, nine months later, and still in the pandemic that seems worse than ever. Can you think of anything else that happens within nine months? Does full-term pregnancy come to mind? The upside to a full-term pregnancy is

that there is light at the end of the tunnel with a new birth. Our world is still struggling, losing more people than ever to this unrelenting virus that doesn't discriminate. Where is the light at the end of the pandemic tunnel? Perhaps it is the recent announcement of several promising vaccines. One good thing is that, for the most part, the NCRS community has been complying with guidelines and keeping themselves and their families safe. Please continue to practice the 3 W's. I know you are tired of hearing this, but those three simple practices are making a difference and keeping us safe.

I miss seeing you at the Church, folks! That said, I am going to ask John to pay the rent for

2021 so that we will have the Hall when we can once again have in-person meetings. Stay tuned...

The Zoom meetings have been a delightful surprise where people can put faces to names that generally are unable to join the meetings in Oakland. I can safely say that everybody has the same commute issues.

Best birthday wishes and congratulations to our members born in December, starting with Cathy Miranda, December 1<sup>st</sup>; Karen Pennacchio, December 5<sup>th</sup>; little Willow, December 7<sup>th</sup>; Maxine Kirkpatrick and Kristen Soares sharing December 8<sup>th</sup>; Ralph Haun, December 10<sup>th</sup>; Linda Hiltunen and Casey Noel sharing December 12<sup>th</sup>; Carol Bohm, December 18<sup>th</sup>; Mac Cross and Rob Leist sharing December 20<sup>th</sup>; George Barby, December 22<sup>nd</sup>; Joe Pennacchio and Nancy Springer sharing December 23<sup>rd</sup>; Stefani Brown and Mike Ingham sharing December 26<sup>th</sup>; Tom Barr, December 29<sup>th</sup>; and Gene Cook, December 31<sup>st</sup>.

Noteworthy December dates: Pearl Harbor Remembrance Day, December 7<sup>th</sup>; Hannukkah begins at Sundown, December 10<sup>th</sup>; Winter Solstice, December 21<sup>st</sup>; Christmas Eve, December 24<sup>th</sup>, Christmas Day, December 25<sup>th</sup>; Kwanzaa, December 26<sup>th</sup>; and New Year's Eve, December 31<sup>st</sup>.

Mike and I wish you all a delightful holiday season.

Stay safe and find ways to spread your kindness!

See you December 8<sup>th</sup>!

## **November 10, 2020 NCC Meeting Minutes**

Chairman Sharyl Ingham welcomed everyone to the November meeting with a Happy Autumn at 7:00 pm via Zoom. There were 20 attendees, including members from Alaska, Kansas, Oregon, and Southern California. Before self-introductions, Sharyl started off with how relieved she was that the elections were over. It was her way of getting not only our attention, but she was referring to the Regional Director elections, thanking those who cast their votes for Mike. Others thought she was talking about the other election, NOT!

Because we had several members that were new to attending a meeting, she gave a brief explanation of the NCC process of how the attendees introduce themselves by stating their name, the city where they live, and the year(s) of their Corvette(s). Then Sharyl explained that she often has a question of the evening, letting people know that it is a way of engaging people to participate. Tonight's question was "Have you ever noticed and wondered how some SUVs and p/u trucks get sizeable dents on the driver's side rear door? The puzzlement and responses were great, and it was one of those by-the-seat-of-your-pants questions. After some discussion it was agreed that the dents are caused by Kansas buffalos

and drivers of big vehicles trying to make left turns.

Secretary Report: Sandy Houck

The minutes of the October meeting were approved by the NCC Board via e-mail as submitted by Sandy Houck.

Treasurer's Report: John Tidwell

No report since John was not online.

Membership: Sharyl Ingham

Sharyl mentioned that she usually puts a blurb in the Vettecetera welcoming new Chapter members but instead of waiting she asked everyone to join with her in welcoming Rob and Beth Wright of Redding, CA, to the NCC. NCC now has 104 members.

Editor: Sharyl

Sharyl and Mike will continue to publish the Vettecetera until Marci is ready to start again.

Webmaster: Chris Moore

No report since Chris was not online.

Chapter Top Flight Award (CTFA): Jeff Blakeslee

Jeff reported there has been no activity. But he and Sharyl encourage members to keep writing articles. If you have one, please send it to her for publishing. Sharyl thanked Joe LeMay and Jim Lockwood for their articles (hinting for more).

NCRS President & Region IX Director: Mike Ingham

Mike thanked those who voted for him. He reported that Bob Johansen of Region VIII was re-elected and Harry Ledgerwood was elected as the new Director for Region VII.

NCRS is seeking a new National Road Tour Leader because Scott and Kay Sinclair have resigned as co-leaders after ten years of service. Any interest out there?

Mike expressed appreciation to George Campbell, who was a longtime NCRS and founding NW Chapter member who also started the International Registry of Corvettes. George left a nice bequest to NCRS.

Old Business:

Sharyl noted that there was a "Cars 'n Coffee" on Solano Avenue in Albany on October 25<sup>th</sup>. It is held every month on the 4<sup>th</sup> Sunday. There is also one called "Second Sundays at the Shipyard" hosted by the USS Hornet

November 8<sup>th</sup>. All donations go to the USS Hornet as a thank you for letting the auto club use their space. This might be a good reason to venture to Alameda and make a donation.

New Business:

NCC Membership Dues: Sharyl mentioned that many clubs have waived dues for 2021 so she suggested that NCC consider doing the same. After much discussion, Wayne Yurtin made a motion that the NCC dues be made optional for the year 2021. Motion was approved.

Spring Meet: We are going forward with plans to have our Spring Meet April 16<sup>th</sup> -17<sup>th</sup> in Suisun City. Sharyl emphasized the need for JUDGES. We already have four cars in the cue to be judged that are carried over from our cancelled 2020 Spring and Fall Meets. Sharyl said that the event will be very different but all-in-all we will do whatever is necessary to keep everyone safe by following the CDC and NCRS guidelines. There was a discussion about how other Chapters have safely held meets.

The 2021 Arizona Regional is May 13<sup>th</sup>-17<sup>th</sup>. Sharyl told the members of the query she received from the Arizona Chapter Chairman asking people to contact him directly if they plan to attend, if want to judge, and if they are bringing a car. Mike will forward the e-mail from the AZ Chairman to the Chapter members. There was a mention that there may be a 14-day quarantine requirement upon returning to California.

The 2021 National Convention in Palm Springs is scheduled for July 18<sup>th</sup>-23<sup>rd</sup>. The National Convention Committee will do their VERY best to have a successful Convention. It isn't a surprise but being on the West Coast there is always a smaller turnout so Sharyl and Mike said that we will have to work a bit harder recruiting sponsors and participants. As Sharyl put it, this is not nirvana and there will be some complaints but remember, if you have a complaint, have a solution to offer.

Show and Tell:

Gary Hiltunen will have a show and tell next month.

Adjournment:

Sharyl played the YouTube "Be My Guest" parody to remind everyone to wear a mask. With the holidays around the corner and knowing how many of us want to be with family and friends, be thoughtful of others by practicing the 3 W's:

**W**ear your masks, making sure to cover your nose,  
**W**ash your hands often, and  
**W**atch your physical distance.

And she reminded us to recognize and thank our Veterans for their service and sacrifice not just tomorrow but always if the occasion arises. She suggested that we can give back to the military members and their families through the following: Disabled American Veterans, Wounded Warrior Project, and Operation Write Home, and if you want further information, go to [military.com](http://military.com). Jeff Blakeslee showed a beautiful wooden flag created by Veterans that he received as a gift. (see [www.thatflagcompany.com](http://www.thatflagcompany.com))

On behalf of Mike, Sharyl extended wishes to everyone to have a Happy Thanksgiving again saying how very grateful they are for their ongoing NCRS support. Thank you for joining the meeting tonight.

Sharyl's last sentiments: Be kind to each other and stay safe.

The next NCC Zoom meeting will be December 8<sup>th</sup>. If you know of anyone who wants to join, please let Sharyl know or just send them the link when the time comes.

The meeting adjourned at 8:00 pm.

Respectfully submitted,  
Sandy Houck, NCC Secretary

### **Please Consider Donating to the NCRS Foundation in 2020**

2020 has been a tough year for everyone; individuals and organizations alike. Most NCRS 2020 events have been cancelled at all levels – Chapter, Regional, and most importantly for the NCRS Foundation, the National Convention. The silent auction and raffles held during the Convention produce a significant portion of the Foundation's annual revenue. In addition, direct cash donations by supporting members are also down compared to past years. It is important to note that the Foundation continued to provide scholarships for the 2020-2021 academic year totaling \$26,500 in spite of 2020 being a very tough year financially.

How can you help? Please consider making a cash donation to the NCRS Foundation prior to December 31, 2020 by sending your donation

along with the form on the last page of this newsletter. Any amount will be a big help – time is short.

As a special note, the 2020 CARES ACT includes a Special Donation Deduction provision intended to help 501c3 charities such as the NCRS Foundation by encouraging cash donations during 2020:

- Individuals who do not itemize deductions on their tax return are allowed to deduct up to \$300 in addition to their standard deduction on their 2020 Tax Return.
- Individuals who itemize deductions can deduct cash gifts of up to 100% of their AGI for 2020 rather than the 60% limit which applied previously. The extent to which this may benefit an individual depends on that individual's particular financial situation and desire.

Thank you for your continued support and consideration of this request.  
Joan Burnett
