### The Scoop

By Sharyl Ingham

I usually start our Zoom Chapter meetings with a moment of silence honoring the lives of friends and neighbors that are no longer with us due to the worldwide pandemic. This month I would like to start my column off with Cathy Bergmann's very insightful and thoughtful Invocation at the National Convention Awards Banquet. I didn't condense it in any way because it is so fitting for all of us to remember and reflect.

*"When Mike Ingham asked me to prepare the invocation for tonight, the words from a song by Al Stewart came to mind. I reflected on the last year and a half and continued to hear the words in my mind "Time Passages".*

*In the Bible, chapter 3 verse 1 of the Book of Ecclesiastes says: 'There is a time for everything and a season for every activity under the heavens.'*

*And so, we come together this evening. Time has PASSED since we were last together at a National Convention. We have EXPERIENCED LIFE and SEASONS of Activity & inactivity; we look back and we look forward to what the next passages and seasons of our lives hold.*

*With this in mind, I ask you to join me in prayer.*

*Heavenly Father, we offer a prayer of GRATITUDE for time apart. While it was hard not to see our friends and share in fellowship and fun; we thank you for the gifts (known and unknown) that came out of this season of the pandemic.*

*We offer a prayer of GRATITUDE for the JOY experienced in reuniting with friends and family; near and far.*

*We include a prayer of ENCOURAGEMENT for those who suffered great turmoil during these times. We ask for PEACE OF MIND and HEART for those who have endured unspeakable loss, illness, and loneliness caused by separation or financial hardships. May we be with them in COURAGE and HOPE as they journey through grief and change.*

*We offer a prayer of HOPE, for what lies in our hearts tonight. HOPE for our country, our family's, our work, and our friendships.*

*We offer a prayer for SAFETY, as we begin our journeys back home tomorrow. SAFETY for our public servants, police, fire, and military. Additionally, we ask for safety of those without a place to call home.*

*Finally, we offer a prayer of THANKSGIVING for the fellowship we share and have shared this week, for our loved ones with us and with us in our hearts, for our homes and safety and for the food we are about to eat and for those who have prepared it. ~ AMEN"*

I believe the people that attended the Convention will agree that it was terrific being together, reconnecting with the friends that we have met and continue to stay in touch with throughout the years as NCRS members. NCRS hosted three past Corvette Chief Engineers with their wives; Dave McLellan and his wife Joanna, Dave Hill and his wife Karen, and Tom Wallace and his wife Karla joined us this year. They had a spectacular seminar Wednesday afternoon. In my opinion, their panel discussions and presentations will only get better with all their experiences and STORIES to share. Please make the time to get close and personal with them at the Convention. They are there for you!

Oh, the weather might have been a bit hot, but as is true most anywhere, the month of July is always hot. We were pampered by being indoors, but the trek between the hotel and the convention center was a bit much,

although it was a good way to get your steps in daily. Things were a bit different, but it was all a matter of keeping everyone safe. If most of you are back to traveling and staying in hotels, you already know that there isn't daily in-unit housekeeping. Don't be surprised but that probably is the new norm for the hotels to cost-effectively operate with a limited staff. Again, things are being done with everyone's safety as the primary concern.

Awards, awards, awards at the Membership meeting on Monday night! Congratulations to Art and Glorie McNay, they received a well-deserved President's Award. Northern California Chapter received a Chapter Top-Flight Award for 2019. Sandy Houck and Art McNay received Sportsman Ribbons. The only Founders Award this year was presented to Jerry and Pat Louer. Foundation Awards were presented to: Jerry and Pat Louer, Don and Carol Troyer, and Ed and Barbara Vignone, all Emerald level, and John Tidwell, Sapphire level. A Master Judge Hat was presented to Wayne Yurtin, Jaime Gesundheit received his 200 Master Judge Shirt and Hat and saving the best for last, 300 Master Tabulator pins were presented to Jo Houlihan and myself. I accomplished my goal of being the first 300 Master Judge to receive the 300 Master Tabulator pin.

On to the Awards Banquet presentations. Dave Brigham presented several Support Team pins, one of which went to Don Hooper for Team Leading the Trailer Parking crew. Ron and Beth Bartow received the "Year Of" award for their 1970. Top-Flight Award Ribbons were presented to the following: Joe LeMay, 1957; co-owners Jeff Blakeslee and Bill Cash, 1963; Chris Moore, 1963; Tony Stein, 1966; Dana Richard, 1966; Gary Bennett, 1967; and Michael Reichart, 1986. Tom Barr received the 5<sup>th</sup> Star on his Crossed Flags Plaque and Allen Tremain received a Crossed Flags Plaque. Both Pete Bergmann and John and Beverly LeGate received the Dave Hill Mark of Excellence Award, and I received a Two-Star Award Plaque for my 1969. Duntov Awards were presented to: Joe Pennacchio, 1956; Dan and Lisa Johnson, 1960; and Gary Bennett, 1963. The Northern California Chapter scored bigtime in Awards, Congratulations one and all! No time like the present to start getting ready for Mobile...

I think there is one day that we should always celebrate in August. The first Sunday in August is National Friendship Day; call your friends, make a friend, do something.

Best wishes and congratulations to our members that are celebrating birthdays and anniversaries this month, starting with Bob Grauer, August 4<sup>th</sup>; Steffeny Tremain, August 6<sup>th</sup>; Jerry and Janet Palmer's anniversary, August 7<sup>th</sup>; John LeGate, August 12<sup>th</sup>; Mike Brown, August 15<sup>th</sup>; Gary Bennett, August 17<sup>th</sup>; Gary Miranda, August 18<sup>th</sup>; Frank Rodrigues, August 19<sup>th</sup>; George Hansen, August 24<sup>th</sup>; Mark Koffman, August 25<sup>th</sup>; Michael Pierce's birthday and John and Sophia Tidwell's anniversary sharing August 26<sup>th</sup>; Sandy Houck and Jo Houlihan sharing August 30<sup>th</sup>; and Pamela Mullenhoff, August 31<sup>st</sup>.

Special cheers to Ed and Barbara Vignone, whose anniversary often falls in the middle of the week during the Convention! You will see them sharing a glass or two of wine with their NCRS friends, or in Mike's case, Ed may bring you one of his special Manhattan's, a real treat. Thank you, Ed and Barbara, for your friendship.

See you August 10<sup>th</sup> on Zoom or at the church at 7:00 p.m.

## **July 6, 2021 NCC Meeting Minutes**

Chairman Sharyl Ingham welcomed everyone to the July meeting at 7:00 pm via Zoom and in-person at the church. This was our first attempt at a hybrid meeting. Unfortunately, we set up in a room where the church's Wi-Fi was not sufficient. So the three of us in-person (Sharyl, Mike, and Sandy) retreated to the Ingham's home office and continued on Zoom. Twenty-two members attended, including some from Southern California and Kansas. As usual, Sharyl asked the attendees to introduce themselves, stating their name, the city where they live, and the year(s) of their Corvette(s). Sharyl's question of the evening was: Do you have extra water in your car? Only one carried distilled water for his car, some have water for drinking, and Sharyl always has water for Willow 😊. From the responses, Sharyl will have to be more explicit. For example, the question was do you have extra water in your car. Perhaps she should

have asked do you have extra water in the car to stay hydrated. The reason behind her question was to remind everyone it is summertime everyone needs to stay hydrated.

Secretary Report: Sandy Houck  
The June minutes were approved. Sharyl thanked Sandy for doing a nice job.

Treasurer's Report: John Tidwell  
John said it's the summer doldrums, but he is busy getting ready for the Palm Springs Convention.

Membership: Sharyl Ingham  
A new member joined in July, bringing the total to 105.

Editor: Sharyl  
Sharyl and Mike published the Vettecetera. Sharyl thanked Bob Grauer and Glorie McNay for their great articles. There was a discussion about why some members may still not be receiving email notices of the Vettecetera. To go forward if there is a problem to contact Sharyl or Mike directly. After the discussion most people are not having any issues with the change of distribution. Sharyl mentioned you can always go to the website: [www.ncrs.org/ncc](http://www.ncrs.org/ncc) anytime to find links to the past several years of Vettecetera's. FYI: Chris uploads the Vettecetera by the first of the month without fail.

Webmaster: Chris Moore  
Chris was absent.

Chapter Top-Flight Award (CTFA): Jeff Blakeslee  
Jeff reported that he is getting ready for the next CTFA season. We did have a good last year and he urged us to keep writing and submitting articles.

NCRS President and Region IX Director: Mike Ingham  
Mike is looking forward to the Palm Springs Convention. See National Convention info below.

New Business:  
Fall Mini-Meet:  
Sharyl mentioned that friendships and relationships play an important part in this hobby. Because of Glorie's longtime relationship with Charley Lillard, he agreed to let the Chapter have our Mini-Meet at his car barn in Woodland. Thank you Glorie.

### Suisun City Spring Meet:

It is tentatively scheduled (not for the lack of Sharyl trying to get a contract) for April 22-23, 2022, at the Hampton Inn. Because of Sharyl's frustration with not getting return calls from the hotel she thinks that someone other than her might get a better response, so Wayne Yurtin offered to talk with the hotel and Glorie McNay agreed to lend a hand if need be. Bob Grauer suggested that we should look for another venue. That idea was tabled but who knows, that might have to happen.

### Informal Get-Togethers

Glorie suggested to have get-togethers on Saturdays at nearby parks. More discussion will occur at the August meeting.

### National Convention:

Mike reported that over 500 people are registered, there will be a full car display in the Convention Center, and a good number of vendors. Ed Vignone said that his wife Barbara has completed the registrations. She will arrive two days early with many boxes of material and set up the registration tables. Ed will arrive later with the Road Tour caravan. Mike and John Tidwell thanked the Vignones for all their preparation work. Sharyl is making decorations for the Welcome Reception and the Awards Banquet. Sharyl was unsure what the Palm Springs COVID restrictions would be, so she stressed bringing masks "just in case" and to be on the safe side. Also, the Convention Center is requiring attendees to use credit cards (no cash) at the no-host bars during the Welcome Reception and the Awards Banquet.

### Show and Tell (and other news):

Joe Lucia showed caps for strut rods. It's interesting that the ones for '75-'79 are slightly larger than those used in '63-'74 (1 3/8" vs. 1 1/4"). GM changed the size of the strut rod ends to help with off camber problems on earlier cars.

Sandy Houck said that Steve Caldwell, a mobile mechanic, came to her house and fixed her C2 electrical problems. Mike and I suggested that she give us his business card to include in the Vettecetera.

Wayne Yurtin's C2 Restoration business sponsored a Cars 'n Coffee at a south San Jose café last month. Attendance was good so the next one will be July 24. Look for the mass mail flyer.

Rick Gower noted the recent passing of long-time member Loren Lundberg. He was an active member of the NCRS Discussion Board. Mike announced the passing of two other members Bill Lucia and John Hinckley.

Ken Albers reported that they have broken ground and started the foundation for their fire rebuild house and garage. And he has ordered a new pickup.

Mark Pellowski is also building a new house. He noted the long lead times for materials and cost increases.

Bob Grauer also noted a big delay in ordering a new commercial truck.

Vince Anicetti said that this is his first NCC meeting.

### Adjournment:

The next meeting will be August 10. It will be via Zoom and in-person at the downstairs room at St. Peter's Episcopal Church in Oakland.

Sharyl told us to "stay safe, please carry and wear masks as directed." She also reminded those that are going to attend in-person at the Church to let her know.

The meeting adjourned at 7:50 pm.

Respectfully submitted,  
Sandy Houck, NCC Secretary

**By Glorie McNay**

The National Convention was a welcome reunion of friends and cars. The weather was remarkable.....113 degrees and high 70's humidity. The hotel was deeply affected by COVID protocol, but the staff tried. My husband and I were honored with the 2021 President's Award, a total surprise and a cherished award. Thanks to all who had a hand in bestowing such a high honor to us.

On a different note, after years of complaining and begging several auto makers have a new safety feature on their 2022 models. When the windshield wipers are engaged the lights (front and rear) automatically turn on. If you are still driving an older car, please remember to turn on your lights when you turn on your wipers. You will be seen coming and going.
