The Scoop

By Sharyl Ingham

Happy Heart Month!

We all belong to one or more organizations, so the question is: Do we just belong? Are you an active member, the kind that you would be missed? Or are you just contented that your name is on the list? Do you attend the meetings and mingle with the flock? Or do you just stay at home to criticize and knock? Do you take an active part to help the work along? Or are you satisfied to only just belong? Do you work with your committee and get right in the mix? Or leave the work to just a few and talk about the "cliques?" Please think this over members - Are you an active member or DO YOU JUST BELONG?

NCC is very fortunate to have supporting members that have moved out of California but still retain their Chapter memberships. I think this says a lot about how comfortable and welcoming NCC is. So thank you, Alex and Renee Aivaliklis that now live in Hawaii, Jeff and Michelle Carlton that now live in North Dakota, Mike and Donalda Day that now live in Utah, Don and Roxanne Hooper that now live in Virginia, Leo and Leah Michaud that now live in Arizona, Jeff and Laurel Howard that now live in Idaho, and Mark and Collen Pellowski that recently moved to Washington, for your ongoing support. What initially brought us together is great cars, but we stay together for the great friendships we have made!

Speaking of memberships, this is a gentle reminder to those that haven't renewed yet, this will make it easy peasy.

Here is the link to the [chapter-membership](#) page.

NOTICE: This link is for Chapter Dues ONLY! Click [here to pay](#) your NCRS National Dues!

For those of you that celebrate the Lunar New Year, it starts very early this year. Chinese New Year, the Year of the Tiger, February 1st; what are the chances the Groundhog will see his shadow on February 2nd; celebrate (and it doesn't have to be extravagant) Valentine's Day on February 14th; and expect NO mail on President's Day, February 21st.

Join with me in extending the very best Birthday wishes to our members, starting with Linda Barr, February 1st; Bob Bohm and David Takesue sharing February 7th; Steve Banich, February 8th; Ann Banich, February 9th; Jeff Carlton, February 13th; Pete Bergmann, February 21st; and Sylvia Stevens, February 23rd.

Although the Omicron variant has affected people differently, it is still part of the pandemic and I think the best way to face the reality of "how life is" is to continue practicing what we have been doing for the past two years, wear the masks, wash your hands often, and practice social distancing. Stay safe everyone! You are doing this for your family, friends, and the community!

Reminder: Online registration for NCC's Spring Judging Meet in Suisun City opened on February 1st. The meet will happen on April 22nd and 23rd. Please remember to give your raffle items to Glorie McNay.

January 11, 2022 NCC Meeting Minutes

Chairman Sharyl Ingham wished everyone a Happy New Year as she welcomed everyone to the January meeting at 7:00 pm via Zoom.

Before Sharyl asked us to introduce ourselves, stating our name, the city where we live, and the year(s) of our Corvette(s), she asked the members to join her in a moment of silence honoring those that are no longer with us due to the pandemic as well as the disasters that are happening throughout the world. She thanked everyone and then observed how many lives have been lost to this pandemic,

especially the surge of children. Let's get through this together by adhering to the recommended COVID practices to keep everyone safe.

Her question of the evening was: When you are buying a car, does the color matter?

The consensus was yes when it comes to buying a Corvette. As far as the everyday driver, they tend to stay with neutral colors for resale value. And you guessed it, absolutely no Atomic Orange in the mix!

There were 25 attending the first meeting in 2022. Sharyl welcomed and thanked Jeff Taylor, a new NCC member, for joining in.

Secretary Report: Sandy Houck was absent, so Sharyl is acting scribe in her absence. The December minutes were approved as submitted.

Treasurer's Report: John Tidwell John will have an NCC financial report in February.

Membership: Sharyl Ingham As of tonight, the count is 80 paid memberships. Sharyl mentioned it is usually slow at the beginning of the year for people to renew but by the end of February she hopes the membership will be back to 113 or more. She appreciates and is grateful for those that have already renewed their Chapter dues.

Webmaster: Chris Moore Chris works with the Editor to upload the Vettecetera issues on the website, and they now go back three years. Thank you, Chris.

Editor: Mike Ingham Mike mentioned that he recently talked with Bob Johansen, the Regional Director that is responsible for the CTFA program and is happy to announce that the CTFA program is being reinstated for 2022.

Mike also made the announcement that Jim Lockwood's article was in the recent Restorer leading Mike to tease Jim to write another article but soliciting other members for articles as well. Glorie asked whether the three California Chapters could exchange Tech articles? Sharyl will ask Bob for clarification on whether or not that is permissible to do. Stay tuned for that answer.

Chapter Top-Flight Award (CTFA): Jeff Blakeslee
Where is Jeff Blakeslee?

NCRS President and Region IX Director: Mike Ingham
The next in-person Board meeting will be on Thursday morning, February 24th, at the Florida Regional in Lakeland, FL.

Old Business:
Sharyl and Mike attended the Midway USA Chapter/Judging School Zoom meeting Saturday morning at 7:00 a.m. She mentioned that Dave Houlihan did a great presentation on what to look for on trim tags to determine originality. He had some great examples of correct vs incorrect lettering, spacing and numbering. This led to a small discussion with Bob Grauer talking about the Suisun City Judging School which will cover ECLs and the correlation between trim tags and the codes. There was much discussion about what NCRS doesn't tell you.

Art McNay was very appreciative of all that attended his 90th birthday party on Saturday. We all wished him many more healthy years to come!

New Business:
First things first, Sharyl asked the membership if they were still okay with donating to the Meal on Wheels programs in the four counties we have been donating to for some time. All were in favor, as well as Marci, Glorie and Sharyl agreeing to represent NCC to their respective counties. Rick Gower was absent so Sharyl will send him an e-mail asking for his willingness to be a liaison between NCC and Contra Costa County. From that response Sharyl said she will sign NCC up for Matching Funds as well. John Tidwell okayed a \$100 donation to each of the four counties.

Next on the list of new Business was Beating the Buses. Last year the Northern California Chapter challenged each NCRS Chapter to donate at least \$100 to the Palm Springs Convention. Sharyl asked the members for their thoughts on perhaps doing that again for 2022. There was a discussion and a decision to push forward with a similar challenge.

Show and Tell (and other news):

Ed Vignone showed everyone a part and asked if anyone knew where it goes BECAUSE this was a leftover part. Dana Richard came to the

rescue, identifying the part as a mid-year manual transmission vent.

Wayne Yurtin showed a stone guard (looks like a piece of rubber) from a wheel off of the '57 that he is working on and asked what he could use to replace the dried out rubber. Jim Lockwood suggested using rubber windshield washer tubing. Ed Vignone suggested to Wayne to use this opportunity to write an article on that process (HINT).

Kevin Blackwell is very excited to bring his '62 out to Suisun City to be judged and when he started the car the other day, the instrument panel and the clock were misbehaving so he asked for names of craftsman in the field that can do the work. Mike went on to tell Kevin that is okay to bring the car out and get judged without them working but Kevin is insistent to have everything working as it has in the past. Talk about unwelcomed demons, huh?

Wayne Yurtin mentioned that he and Jerry Dye are going to Barrett Jackson and asked who else might be going. John & Sophie Tidwell and Tom Barr will be there. Sharyl extended her wish for them to have fun and be safe.

It was a great meeting of collaborative effort of the members. Of course, you just had to be there to understand what I am describing as the dynamics of the meeting. I hope we will have many more of the same in the future.

Adjournment:
Sharyl ended the meeting by thanking those that attended and reminded them to please be thoughtful of others by adhering to the current COVID recommendations.

The next Zoom meeting is February 8th at 7:00 p.m.

Good night, everyone, stay safe.

Respectfully submitted,
Sharyl Ingham, acting NCC Secretary

February! February is named after an ancient Roman festival of purification called Februa. And all this time I thought Valentine's Day was a holiday created by the greeting card and candy industries. As time went on the jewelers and restaurateurs jumped on the bandwagon, and not to be outdone the tourist industry got onboard. I was fourteen when a young man took two busses and walked a half mile to my home to bring me a heart-shaped box of chocolates. I will never forget that heart-shaped box or the young man, even though I've become quite cynical since. What I'm trying to say is do something for that special someone and create a lifetime memory. We all need a little reminder that we are human and the pandemic will not override our caring for one another.
