The Scoop

By Sharyl Ingham

I think I can safely say that Punxsutawney Phil, the infamous Groundhog's, prediction was so wrong on February 2nd. Seriously, not in California, no signs of 6 more weeks of winter. We are experiencing early allergy season with the flowers in full bloom and pollen all about us. Achoo!

Mardi Gras, aka Fat Tuesday, is March 1st. This falls exactly 47 days before Easter. How's that for a bit of trivia? Another important tidbit is that Mobile is not only recognized as celebrating the first known American Mardi Gras celebration in 1703 (before New Orleans) but also as home to "America's Family Mardi Gras". When you are in Mobile, I believe there is a Mardi Gras Museum within walking

distance from the hotel. Put that on your list of things to do while at the Convention. Mike and I highly recommend visiting.

You know the other thing I should mention about March 1st is that it is the first day of National Women's History Month. Women's History Month is dedicated to the accomplishments and achievements of women in U.S. history that are often overlooked, and as you might already know, every woman has a story to tell and gifts to share with the world. Does Rosie the Riveter come to mind?

Other noteworthy days in March include setting your clocks ahead on March 13th because it is back to Daylight Saving Time; for you mathematicians, PI day is March 14th; St. Patrick's Day, March 17th; the first day of

Spring, March 20th; and National Puppy Day is March 23rd. Saying or hearing "puppy" always seem to make people smile.

When I list birthday or anniversary dates that I am aware of, it is because I am celebrating you. That said, I hope other members will join with me in extending best wishes and congratulations, starting with Steve Giovannini, March 1st; Jerry Fuccillo, March 12th; Roger Hodel, March 15th, Mary Hodel, March 16th; Mike McGue, March 19th; Roxanne Hooper and Sophie Tidwell sharing March 28th; yours truly, March 30th, Cindi Grauer and Mason McNay sharing the March 31st; and the icing on the cake for Mason is that it is his and Amber's wedding anniversary as well. (What are the chances he won't ever forget his anniversary?)

March 11th is unfortunately the anniversary of the start of the pandemic in 2020. I haven't heard of any catastrophic news within our NCRS family so I will safely say that many of you stayed vigilant to protect yourselves, family, friends, and your community by being prudent and staying safe practicing what is the new norm for many of us since 2020. Remember, I wear my mask to protect you!

See you on Zoom, March 8th.

February 8, 2022 NCC Meeting Minutes

Chairman Sharyl Ingham wished us a Happy Heart Day and welcomed everyone to the February meeting at 7:00 pm via Zoom. We had 23 attendees. Sharyl asked us to introduce ourselves, stating our name, the city where we live, and the year(s) of our Corvette(s). Her question of the evening was: How many cars have you bought new? Amazing that the count varied from 3-45. And it was John Tidwell that estimated he had purchased 45 new cars, albeit company cars. Sharyl thought it was interesting to hear the reason for buying new cars was a request mostly from the wives.

Secretary Report: Sharyl

The January minutes were approved as submitted by Sharyl, in Sandy's absence.

Treasurer's Report: John Tidwell

John hopes to break even every year. Last year was a small profit.

Membership: Sharyl Ingham

Out of the 7 new NCRS members within our Region, 4 have joined the NCC. Yay! Sharyl explained that she sends a welcome to the new members within our Region attaching our Vettecetera and inviting them to join our Chapter when she gets a monthly listing of the new NCRS members.

Webmaster: Chris Moore

No new report.

Editor: Mike Ingham

Since Jeff Blakeslee was absent, Mike made an appeal for us to continue writing technical articles mentioning and thanking particularly Gary Beaupre for his articles on his restoration of his '66.

Chapter Top Flight Award (CTFA): Jeff Blakeslee

No report. Jeff was absent.

NCRS President and Region IX Director: Mike Ingham

Mike reminded us that Region IX includes six chapters. The NCRS Board will meet February 24th at the Florida Regional.

Old Business:

Sharyl thanked Marci Albers, Rick Gower, and Glorie McNay for delivering the Meals on Wheels donation checks.

Sharyl's topic was Beating the Bushes. She sent out the 2022 Challenge letter to the Chapter Chairmen explaining and asking for their Chapter to accept the challenge by donating at least \$100 to the Convention. Her push was that it is their club so donating is a good thing.

Sharyl proposed that NCC become a Meal Sponsor by donating \$500 for the Judges and Tabulators Meals at the Convention. It was passed unanimously. She hopes that other Chapters may step-up-to-the plate because you know exactly where the monies go.

New Business:

Registration for the Suisun City Spring Chapter Meet on April 22nd—23rd is now open. Doug Wathor plans to bring his '63. There's room for more cars.

Show and Tell (and other news):

John Tidwell worked at the NCRS booth at the Barrett Jackson auction. He described his surprise at the sale of a '63 340 HP selling for

\$350,000 and a Jeep with a Hellcat engine for \$198,000.

Sharyl showed a sample hat, men's and women's polos, a t-shirt, and a sweatshirt that can be pre-ordered via registration for the Convention.

The logos look great.

Mike Ingham continues to work on his '57 (instead of Sharyl's '69). The silver on both the interior and exterior mirrors was incorrect. He had them nicely restored by Custom Mirror Restoration, a company in Pennsylvania. Mike also will be getting a correct hood release cable from Corvette Central. He previously described that he received the wrong part. The '57 should only have one key, but he has two keys. Our local key expert Gary Beaupre informed him that the key for the doors and trunk lock is of a configuration that wasn't used until later model years. So Mike will be getting a complete set of correct keys and locks from Joe Calcagno, Rare Corvettes.

Joe LeMay showed a tool used to change out driveshaft U-joints. But it doesn't work on his C1, may be okay for a C2.

Dave Houlihan showed a harmonic balancer where the press-fit slip ring has slipped. So, the timing marks are in the wrong location.

Bob Kennard showed a kick down rod from his '61 Powerglide transmission that he broke. He has been looking for a replacement for a long time.

Adjournment:

The meeting adjourned at 8:10.

The next meeting will be March 8th via Zoom. IF we do in-person, you will be notified.

Respectfully submitted,
Sandy Houck, NCC Secretary

This 'n That

By Glorie McNay

What crazy weather all over the country! Instead of covering cars the last two days, I used the car covers to cover our plants, orchids and succulents, to protect them from frost. Not common here this time of year. Oh well; let's think about spring and summer travel. I have a couple of suggestions. When packing for a road trip or tour, create more room and keep those dress up clothes or any you won't need on the road in top condition and make room in your luggage compartment. Lay those clothing items flat and neat on the floor of the luggage space and then cover them with a dollar store tri-fold cardboard display board. Your luggage will lay on top and the clothes will not be disturbed in the loading and unloading. This trick will work in all Corvettes prior to the C-8. Another item I have found beneficial to have when traveling is a collapsible cane just in a case. We hope you never need it but trips or walking on uneven pavement happen. On uneven ground a tripod which the use of a cane offers provides great stability. ALSO, if placed near the opening it provides an extension to reach inaccessible items. Happy traveling and may you have good weather.

I AGREE to assume the risk of any and all damages or injury and to indemnify and hold harmless NCRS, its officers, directors, agents, employees, Chapters and event workers for any acts or omissions that may result in the theft, damage or destruction of my property or injury to me or others occurring during, or as a consequence of this event, wherever located.

I AGREE to abide by the NCRS Policy on Drugs and Alcohol. The use of illegal drugs is prohibited by anyone attending an NCRS event. The use of alcohol is prohibited by anyone participating in an NCRS event (includes while on the judging field, participating in driving tests and/or road tours), except during social events.

I ACKNOWLEDGE AND AGREE that I understand and will comply with the currently published NCRS Rules & Regulations for Events in the COVID-19 Era. In consideration of being allowed to attend this event, I AGREE that, in the event of any illness to me that may relate to, arise out of, or in any way concern my attendance and/or participation at this event, NCRS and its employees and agents are RELEASED from any and all liability whatsoever that may arise from any illness occurring and from any responsibility and/or liability for my acts or conduct. Further, I WILL HOLD HARMLESS AND WILL UNCONDITIONALLY INDEMNIFY NCRS AND ITS AGENTS AND EMPLOYEES AGAINST ALL CLAIMS, CAUSES OF ACTION, AND DAMAGES FOR WHICH NCRS MAY BECOME LIABLE BY REASON OF SUCH ILLNESS, WHETHER BROUGHT BY ME OR AGAINST ME OR BY ANY PERSON HAVING A LEGAL INTEREST IN THE PROPERTY OR PERSON OF ME. I understand that this release of claims and indemnity **APPLIES TO ILLNESSES CAUSED EITHER IN WHOLE OR IN PART BY ANY NEGLIGENT ACT OR OMISSION OF NCRS, ITS OFFICERS, EMPLOYEES, REPRESENTATIVES, OR AGENTS. MY RELEASE ALSO APPLIES TO ANY ILLNESS SUSTAINED BY ME DUE TO THE COVID-19 PANDEMIC.**

NCRS Rules & Regulations for Events in the COVID-19 Era

EFFECTIVE IMMEDIATELY, the National Corvette Restorers Society, Inc. The above-mentioned rules will be followed at all NCRS events until such time that it is determined that they are no longer needed.
