Chairman's Message

By Bob Grauer

The rain is past us and we must deal with some recent deep freezing that will temporarily delay our getting out on the road together as soon as we had hoped. PG&E is squeezing every extra dime for gas and electricity. Latest figures reflect that gasoline powered vehicles are cheaper to operate than electric. Take that Newsom!

The 49ers nearly made it to the Super Bowl. Sorry 9er fans.

The big international news is all NCRS! Our own Mike Ingham has been selected to be NCRS National Vice President again! Mark Tulley has assumed the Presidency vacated by Shannon Urton and selected Mike. We wish Mike and Mark best success and are here to

help in any way we can. We thank Shannon for her service to NCRS.

Congratulations to all NCC members for achieving the NCRS Top Flight Chapter Award for 2022! Jeff Blakeslee & team did a terrific job steering us to victory! Without Jeff's extra efforts we were going to be denied over a single item. Jeff made a compelling argument on our behalf!

Our NCRS publications have a new look! Congrats to Vinnie Peters for hiring some additional help to re-engineer the Restorer Magazine!

It's auction time and prices paid for collector cars is stratospheric. You have to shake your head at the prices paid. Corvettes (and collector cars) are no longer just a hobby, they are truly considered art and priced accordingly.

The 1969 ZL1 rag top went for over 3 million, an A/C 63 base (with no docs) went for nearly 1/2 million.

Z06's in CA have dealers asking up to 300K (only 100 were built in January's allocation).

The new E-Ray hybrid all-wheel drive Corvette was rolled out by GM. Look for those early next year.

Our spring Los Gatos event is coming together nicely. If you still need to register your car or attendance, please don't wait as early registrations help our planning.

We are planning a road winery trip in May. Details to follow.

Looking forward to seeing everyone soon – in person!

NCC Meeting Minutes January 10, 2023

Chairman Bob Grauer welcomed 26 members to the New Year and the January meeting at 7:00 pm via Zoom. He thanked us for connecting via Zoom, and hopes that we can meet in person in February or March. We introduced ourselves and described the Corvettes that we own.

Secretary Report: Sandy Houck
The November minutes were approved by the Board.

Treasurer's Report: John Tidwell
John was absent. Bob stated that the Chapter is in good financial shape.

Membership: Sharyl Ingham
We have 95 members so far this year. Sharyl expects our total to be about 113 when renewals are complete.

Webmaster: Chris Moore
Chris was absent.

Chapter Top-Flight Award (CTFA): Jeff Blakeslee
Jeff was absent. Bob noted that we will continue to participate in the program.

Annual Report: Bob Grauer
Bob completed last year's annual report and submitted it to Mike Ingham.

New Business:

Judging Update: Mike Ingham
Mike expects to have one C1 car and three C2 cars for judging at the Los Gatos Spring Meet. Wayne Yurtin will bring his '65 drag car for Concours judging, if there are not enough cars signed up judging. Otherwise, he will bring it as Sportsman. Wayne is coordinating with the Los Gatos Lodge.

Members-At-Large: Bob Grauer
Bob asked if any are interested in joining the NCC Board as a Member-at-Large. Duties simply are being an ambassador for us at events and willingness to help as needed.

INCRS Region IX Director: Mike Ingham
Mike reported that Shannon Urton resigned as both President and Region II Director following the January 6 Board meeting. Also Patricia Kropac resigned as Region III Director. This was a surprise and unexpected. Vice President Mark Tulley takes over as President as per the bylaws. He will nominate replacements for Vice President and the two Directors. Other items include an update of the '53-'55 Judging Manual and the new C6 Manual which will be published later this year, and that dues have increased from \$50 to \$60.

NCC Road Tour: Ken Albers
Ken Albers will arrange a tour for the Spring. Give Ken your ideas.

Technical Discussion Board: Gary Beaupre and Rick Gower
Gary reported that the Forum has been discussing a '69 ZL1 (aluminum block) convertible that's up for auction. It has suspicious documentation. Rick said that the '63 number 003 car is also up for auction. It is the oldest Sting Ray.

Calendar: Bob Grauer
Tucson Regional Meet on March 23-25,
Nipomo CCC Meet on March 31 – April 1,
Los Gatos NCC Meet on April 14-15,
Fallbrook SCC Meet on April 28-29,
and virtual Judging Schools starting this month.

Judging School Coordinators: Bob Grauer
More are needed for C1, C2, and C3 classes.

Library Material:
Art and Glorie McNay said that their son Mason still has NCC's old Corvette VHS tapes. They will be given to Jim Lockwood to review. Mark Pellowski offered to digitize them as necessary.

Adjournment:

The meeting adjourned at 8:05 pm. The next zoom meeting will be February 14. Join us for Valentine's Day.

Respectfully submitted,
Sandy Houck, NCC Secretary

Food For Thought

By Sharyl Ingham

Happy Heart Month ❤️

Please join with me in a moment of silence and pray for those families grieving the lives lost in the senseless massacres within the first 25 days of the new year. Thank you.

It goes without saying what a resilient community the NCRS is. Congratulations to Mike for his reappointment as VP, and special welcome to Vito Cimilluca and Andy Goodman to their respective Regional Director appointments. The BoD is stronger than ever and will work together for the good of the hobby.

While I have your attention, back in 2021 when I was the Chapter Chairman I challenged the other 43 Chapter Chairmen to meet our Chapter's \$100 donation to the Convention. That year due to the pandemic as well as the Convention being on the west coast, we were very low on major sponsorships and this proved to be an excellent way for the Chapters and individuals to make a donation to their hobby. Well, here we are again asking for donations. Thank you in advance for your generosity and consideration.

The Tucson Regional is right around the corner, and we hope those of you that are planning to take your car to French Lick will show up in Tucson to earn that final prerequisite.

Glorie McNay is the champion for soliciting donations for the Judges and Tabulators meals and several other major sponsors for the Program Booklet. This year because of the inflation and the economy, we have reduced the suggested donation from \$500 to \$300, hopefully to encourage many others to donate without any hardship to their pocketbooks.

We have no control of the weather and we have been pummeled with flooding and devastation within the California community. What we do have control over is how we drive

to be mindful of what is going on. There seems to be ongoing construction and road repairs. When you see the workers in their reflective clothing, move over and give them space because they are making these repairs for our safety.

My last food for thought since this is HEART month is for you to take care of yourselves, do what makes you happy, spend time with your family and friends, embrace and be grateful for what is in your control.

I used to end my meetings with the three B's; Be safe, Be Kind and Be Grateful, which seems even more important to me nowadays.

Count your age by friends, not years, count your life by smiles, not tears.

By Sharyl Ingham

Please join with me in congratulating and sending best wishes to those celebrating birthdays in February, starting with Linda Barr, February 1st; Ray Goyenechea, February 4th; Bob Bohm and David Takesue sharing February 7th, Steve Banich, February 8th; Ann Banich, February 9th, Jeff Carlton, February 13th, Pete Bergmann, February 21st; and Sylvia Stevens, February 23rd.

2023 has come in with a bang. A 91st birthday and a 59th anniversary! That was the good and not much else was. Here's to February! Just 28 days.

Sponsorship for the Tucson Regional is very slow. The economy has hit the Corvette hobby. So many of our vendors and our members have realized a slow last 3 months.

I hope conditions improve for all. In the meantime, please consider a sponsorship of some amount as the "the show must go on".

On another note, I'm sure you have seen the E-RAY. Electric and gas-powered Corvettes to judge in 15 + years. WOW!

Happy Valentine's Day. Keep loving those you love. Be kind to all and try not to dwell on the news.

Guess who!
