Chairman's Message

By Bob Grauer

First business is our next fall judging meet in Sonora CA on Friday September 22nd and Saturday the 23rd at the Heritage Inn. Mark your calendars please. The registration form will be in the next issue of the Driveline and may be found later in this issue of the Vettecetera. Online registration opens on July 1st. We will need cars to judge and look forward to another fine turnout. The location is beautiful Yosemite country! Mike and John are planning a great judging event and school. Jerry Fuccillo is our local contact, and he has put together a fun couple of days for our chapter. Looking forward to seeing everyone in Sonora-Yosemite!

Our June in-person meeting at the church was a small intimate group. We had dinner together (courtesy of Mike and Sharyl) and the

spareribs literally fell off the bone. We sat around the tables and talked more car-stuff than chapter stuff. I thoroughly enjoyed the opportunity to meet a new member while catching up with some old friends. Our food drive was better than expected given the small turnout. The Alameda County Community Food Bank was very appreciative. Thanks to everyone that contributed! Our next in-person will be November 15th, another Wednesday evening. Mark your calendars and join us if you can. We will be back to Zooming July 11th.

Our National Convention is coming up quickly – July 23-27 in French Lick Indiana. For those that are attending, have a safe trip and enjoy the fantastic events that the National team has arranged for NCRS. I hope the weather cooperates and it's not too hot, not too humid, and no storms. Southern Indiana-midwestern summers can be unpredictable. Travel safe!

Corvette C8 production figures for 2023 (so far) look like somewhere around 50,000 units with 5% or 6% Z06. June allocations to dealers were far below the dealers' expectations, so expect dealer mark-ups to continue. Even so, that's a historically high number for Corvette production, even given the many production delays and halts this past year. Congrats Chevrolet!

New 2024 production is expected to begin approximately September 5th.

See you all on Zoom July 11th!

Cars & Coffee Shows

By Casey Noel

There is a Cars & Coffee every Friday morning at 8 to 10am at the Livery shopping center next to the Bagel Street Cafe in Danville. Another Cars & Coffee is held in Lafayette from 8 to 10am every Sunday morning at Perks drive through coffee next to the Lafayette library on Mt Diablo Blvd. Free coffee and donuts are provided.

If you know of other C&C events in the area, please provide the details and I will add them to Casey's list. Ed.

Food For Thought

By Sharyl Ingham

Thank you to those that made a generous donation to the Chapter's Food Drive on Flag Day, June 14th, for the Alameda County Community Food Bank. My suggestion for the future IF the Chapter chooses to do it again would be to make cash donations. Either way, this is a great cause because it is a way of giving to the less fortunate.

Gosh, here it is July and summertime. I think you will agree that this sure doesn't feel like traditional summer weather because we have had months of pure gloom. Mike and I were in Costco this morning, and do you know what we saw? Christmas wrappings?! Seriously, won't you agree with me that this is ridiculous? Nobody should be thinking about Christmas in July. What we all should be doing is finding ways of reconnecting with friends and family during this time.

That brings me to my point. The Convention is right around the corner and many of you are registered. This will be a great celebration to reconnect with the Corvette family that might have been absent for several years due to the

pandemic or other health reasons. Let's make a pledge to embrace our time together in French Lick and look forward to our future times of being together.

As for everything there is a lesson to be learned. We all want to do the right thing and our way isn't always the ONLY right way of doing things. As a team we are flexible to fresh ideas, knowing there are strengths and weaknesses, and because we are human, we learn from each other. The bottom line is that we are grateful to all the volunteers because that is part of the beauty of this organization. Remember, "Life is like a box of chocolates, you never know what you are going to get".

See you in French Lick!

Count your age by friends, not years, count your life by smiles, not tears.

By Sharyl Ingham

Best wishes and congratulations to our members with July birthday and anniversary celebrations, starting with Marilyn Muhlker, July 1st; Pauline Cross birthday and Jerry and Pat Louer's anniversary sharing July 2nd; Don and Carol Troyer's anniversary, July 6th; Don Troyer, July 7th; Michael and Linda Pierce's anniversary, July 10th; Lisa Johnson, July 15th; Don Mullenhoff, July 20th; Ed and Barbara Vignone's anniversary, July 21st; Carol Troyer, July 22nd; Janet Palmer, July 23rd; Rick Gower and Marshal Crossan sharing July 26th; Bill Cash and Mickey Swezey sharing July 29th; and Jaime Gesundheit, July 30th.
