Chairman's Message

By Bob Grauer

We are just a month away from our NCC Spring Judging Meet at the Los Gatos Lodge in Los Gatos, CA, March 1-2. The hotel is ready, the cars are ready, and we are ready! Are you? We need judges! To sweeten the pot and entice more participation, I have some exciting updates! First, Mike reports that we have 5 cars (to date – probably will be SIX) signed up for flight judging, plus 3 Sportsman, 1 Duntov Display. Great job Mike! Next, we have Chris Springer contributing our technical session (Friday) on several important subjects (Corvette Resto parts and applications and Factory Assembly Manual pros and cons). Chris has a wealth of knowledge on Corvette and has restored at the concourse level. Don't miss out! (Additionally, I will do my best to present the Judging School on the topic of (the dreaded) chassis judging, also Friday afternoon – a packed schedule. Lastly, we have secured two brand new, never been framed, Dana

NCRS will celebrate its 50th Anniversary this year at the Convention in Hampton, Virginia, August 4-8. Don't miss this milestone event!

Forrester prints for our chairman's raffle. Maybe an auction? On top of all that excitement, Glorie will hold court for our chapter raffle! If you haven't had the chance to see Glorie and her team in action at a raffle you haven't seen anything yet! It's going to be a great event with great cars, and we need everyone to participate to match last year's success! Don't let us down! The hotel price is a bargain at \$99/night (or \$109 if you prefer the garden views) and Los Gatos is a short 20 minute ride from Mineta San Jose International airport. Uber-Lyft-taxi or limo will get you to the Lodge and back without any stress. I promise perfect weather, the entire 2024 Super Bowl Champion 49ers will all stop by, Steph Curry will stop in to teach us how to hit a "3", and probably have an impromptu concert by Taylor Swift! Well maybe not all (or any) of that last stuff... One thing - since we are again in the Bay Area (and this is spoken from experience) we want everyone to participate but the rule is that everyone must be registered for the event. Dropping by and staying the day (while we want to see you) only hurts the club and your fellow members who did register, brought their cars out, or are presenting for your benefit. No freebies. So, please register, and come have fun talking Corvette with your friends. Remember that our 2024 NCC Spring Judging Event Registration is "live and online" at NCRS.org! There is still time to mark your calendars for Friday and Saturday, March 1 and 2, 2024, at the Los Gatos Lodge, in Los Gatos, CA. It's a great cause!

Please take the time to renew your NCC membership. 2024 marks our 46th year as a NCRS chapter!

Just like Uncle Sam said, "We need you"! A BIG THANK YOU goes out to all of our members that have already renewed their NCC membership for '24.

See you on the Zoom call February 13th!

NCC Meeting Minutes - January 9, 2024

Chairman Bob Grauer wished us a Happy New Year and welcomed 19 members to the January meeting at 7:00 pm held via Zoom. Bob asked us to introduce ourselves, stating where we live and the Corvettes we own. Bob reported that he is making progress on his '69 to get it ready for the Los Gatos Meet.

Secretary's Report: Sandy Houck
December minutes were approved.

Treasurer's Report: Chris Moore
Chris was absent. Bob received the annual P&L report, noting it showed positive funding from our events.

Membership: Sharyl Ingham
Sharyl has received 88 renewals and is waiting for 25 more.

Webmaster: Chris Moore
Chris was absent. Sharyl noted some issues with out-of-date information on the website.

Chapter Top-Flight Award (CTFA): Jeff Blakeslee
Jeff gave a summary of the last report for 2023, noting that it was a good year for us in the required and variable activities. Although the Chapter is not participating in the 2024 CTFA program, Jeff mentioned that he will continue to monitor our activities.

Los Gatos Judging Meet: Bob Grauer and Mike Ingham
Mike has received 11 registrations including 5 cars for flight judging. Bob noted that the Los Gatos Lodge's rate is \$99 if you use "NCRS". He is planning to give a Judging School on C2 and C3 chassis.

NCRS Region IX Director and Vice-President: Mike Ingham
Mike held a Zoom meeting with Region IX's Chapter Chairs. He is receiving the Chapters' Annual Reports. The National Board will meet via Zoom in March after the Judges Training Retreat in Dallas, TX. Mike noted that the next two years will be a busy judging time for the Region with Regionals in 2024 and 2025 and the 2025 National in Las Vegas.

Technical Discussion Board: Rick Gower
Rick felt that the most interesting topic was a thread about "where to sell my Corvette."

Show and Tell and Other Announcements:

Registrations are now open for various Regional events, and registration will open for the 2024 Convention on February 1st.

Under judging there's an adjusted deduction for '67 Stinger paint.

Bob Demmel is the new '68-'69 National Team Leader, and Gary Craig is the new '70-'72 National Team Leader. It is with pleasure to announce that Jim Lockwood is the new Fuel Injection advisor.

Honorable mentions were given to Dave Houlihan who wrote a great, comprehensive article about Holley carburetors and to Gary Hiltunen who contributed to a great article about solving an overheating problem in a '54, both articles published in the Restorer.

Bob and Rick are surprised that so few cars are listed for sale in the Driveline.

Mark reminded the members to look at the Lectric Limited Ad in the Driveline to see if your NCRS member number is there. If so, that person will receive a free battery charger.

Bob Kennard announced that he recently bought a '78 Pace Car that only has 10,900 miles. He found it on Facebook, located three miles from his house in Napa. He is currently working on the brakes.

The January Vette Vues Magazine has an article about Chris Moore's '63 Z06.

Bob and others discussed the cars that are for sale on Bring a Trailer.

Adjournment:

The next meeting will be February 13 at 7:00 pm via Zoom.

The meeting adjourned at 8:15.

Respectfully submitted,
Sandy Houck, NCC Secretary

Spring Meet Raffles

Glorie will be in her glory once again running her raffle of donated items at our Spring Meet in Los Gatos. Please be thinking about and setting aside items you would like to contribute to the raffle, and most importantly, be sure to bring them with you to Los Gatos.

Bob will once again have some special items of his own to raffle off as well.

Food For Thought

By Sharyl Ingham

I have published this volunteer sentiment in at least two past Vetteceteras, so please consider this as a refresher that I feel is fitting for my "Food for Thought" column.

With many of us members of other organizations we are faced with the same dilemma, the dwindling memberships. More to the point and in my humble opinion is the lack of member participation.

Do you just belong? Are you an active member, the kind that would be missed? OR are you just contented that your name is on the list? Do you attend the meetings and mingle with the flock? OR do you just stay at home to criticize and knock? Do you work with the committee and get right in the mix? OR leave the work to just the few and talk about the "cliques?" Do you take an active part to help the work along? OR are you satisfied to only just belong?

Back in 1999 when Mike and I joined NCRS, we took that extra step to join this Chapter as well. Being new and being very green back then, who knew what we would wind up doing?

Mike and I have had a good journey for all the jobs and responsibilities we have taken on for the organization, whether it be on the National level or local, we made the conscious commitment to jump in with both feet. We have done so for many years and will continue to do so for the love of the hobby. We are All volunteers in this hobby, together, with the same mission.

Thank you to those of you that have renewed your NCC memberships. This chapter has members throughout the U.S. and Canada, and we are very appreciative of your ongoing support. We couldn't thrive as we have done so well without you.

February is known as the American Heart Month for good reason. The first Friday of the month is known as National Wear Red Day, February 2nd. What this day does is to bring greater attention to the cardiovascular disease which is the number 1 killer of women. So, join in and wear red on that day to help raise awareness about this deadly cardiovascular disease. Chinese New Year, this year the Year of the Wood Dragon, is the luckiest and most optimistic in the 60-year cycle of animals and elements, February 10th. Fat Tuesday is the

first Tuesday before Ash Wednesday, February 13th. Valentine's Day, this should come with no surprises since this occurs every year so there is plenty of time to prep to spend the day with your loved ones, February 14th. Lastly, President's Day is a federal holiday where most services are closed for the day, February 19th.

Best wishes to those members celebrating birthdays this month, starting with Linda Barr, February 1st; Ray Goyenchea, February 4th; Bob Bohm and David Takesue sharing February 7th; Steve Banich (SB), February 8th; and SB's lovely bride, Ann, February 9th; Jeff Carlton, February 13th; Pete Bergmann and Michael Whitt sharing February 21st; and Sylvia Stevens, February 23rd.

Make it a super month and spread your kindness!

Body Dolly - Free - Last chance before it becomes firewood on March 3

Wooden space frame/body dolly that I
designed and built for the body-off restoration
of my '66. Nearly all the pieces of the space
frame/body dolly are made from 20-year aged,
Douglas fir 4x4s. The longest pieces of 4x4 are
8' long. The space frame supports the body at
six points: adjacent to body mount #1, just
forward of body mount #3, and directly under
body mount #4. I added a separate, 7th
support under the front header bar, just
forward of where the core support would be.
The space frame keeps the body about 48" off
the floor, which was perfect for working under
the body while sitting comfortably on a stool.
The heavy duty swivel casters allow the space
frame and car body to be easily rolled around a
garage by one person. The casters can be
removed if you want everything fixed in one
location. I designed the space frame to be
earthquake proof. The space frame should
accommodate any C2, and maybe C3s,
perhaps with some modifications for C3s. I
invested over \$500 in materials. I can provide
photos of how everything is assembled, in case
my notes written on each individual piece of
the frame are not sufficiently clear. Currently,
the space frame is completely disassembled.
Everything must be picked up from my house
in Sunnyvale. Everything will easily fit in a
pickup truck. Call Gary Beaupre @ [408-250-
0370](tel:408-250-0370). Speak up soon; if no one claims it before
March 3, I'm cutting it up into firewood.

Manuals Available

Over the years we (NCC) have accumulated a
small collection of Corvette factory service
manuals and other technical literature in our
library, where they continue to collect dust.
We have decided to offer these documents to
NCC members on a first come-first served
basis in the hope that you can put them to
better use. If any of the following documents
match a Corvette that you own and you would
like to have it and are willing to pay the
shipping, please contact Mike Ingham.

A small donation to the Chapter is welcome.

 I AGREE to abide by the NCRS Policy on Drugs and Alcohol. The use of illegal drugs is prohibited by anyone attending an NCRS event. Further, I WILL HOLD HARMLESS AND WILL UNCONDITIONALLY INDEMNIFY NCRS AND ITS AGENTS AND EMPLOYEES AGAINST ALL CLAIMS, CAUSES OF ACTION, AND DAMAGES FOR WHICH NCRS MAY BECOME LIABLE BY REASON OF SUCH ILLNESS, WHETHER BROUGHT BY ME OR AGAINST ME OR BY ANY PERSON HAVING A LEGAL INTEREST IN THE PROPERTY OR PERSON OF ME.
